## **Instructions to Reviewers:**

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a security order recommendation.

2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a security order has been rescinded.

## **Notice for Completion of Review:**

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a security order.

3. The PTO will not publish an application until 18 months from the date the application is filed. If the application is not published, the information contained therein will remain confidential. The PTO will not publish an application until 18 months from the date the application is filed. If the application is not published, the information contained therein will remain confidential. The PTO will not publish an application until 18 months from the date the application is filed. If the application is not published, the information contained therein will remain confidential.
